# Update to COVID-19 Competition Action Plan

## ATTENTION

### CDC Announcement and New Update to the USEF COVID-19 Action Plan Regarding Fully-Vaccinated Participants

Dear US Equestrian members,

Yesterday, the Centers for Disease Control and Prevention (CDC) announced that anyone who is fully vaccinated against COVID-19 can participate in indoor and outdoor activities, large or small, without wearing a face covering/mask or physically distancing. An individual is considered to be fully vaccinated two weeks after their second dose in a two-dose series (Pfizer, Moderna, etc.), or two weeks after a single-dose vaccine (Johnson & Johnson). If you have not been vaccinated yet, and are looking for a place to do so, click to [find a vaccine](#).

Based on this very encouraging news and the rapidly changing guidance from national health authorities, effective immediately, USEF is amending the COVID-19 Action Plan to align with the CDC announcement. At a minimum, competition organizers and all persons at USEF-licensed competitions are required to follow state and local regulations for face coverings/masks and social distancing. In the absence of state and local regulations, USEF recommends compliance with the CDC guidelines. Competition organizers are able to impose stricter requirements at their discretion.

Personal responsibility is essential, as competition organizers are not required to verify vaccination status. Let's all continue to act responsibly and keep our sport open, and our nation moving forward in a positive manner.

A few reminders as we move forward:

- Be patient with and respectful of competition organizers, competition staff, and licensed officials as competitions transition to this new protocol. Adjustments may not be immediate and competition organizers are able to impose stricter requirements at their discretion.
- Competition organizers must post and communicate to competition staff, competitors, officials and spectators the COVID requirements under which their competition will operate.
- Anyone who is not fully vaccinated must exercise personal responsibility and wear a face covering/mask wearing and continue to practice social distancing and frequent hand washing.

We would like to acknowledge and thank our members, competition organizers and their staff, licensed officials, the USEF staff, and the entire equestrian community who effectively implemented the COVID-19 Action Plan over the past year, helping to ensure a safe environment for competitions and participants.

A fully updated version of the USEF COVID-19 Action Plan will be posted to the USEF website no later than close of business on Tuesday, May 18.

The minimum guaranteed payback for each class will be published on the entry form for each year's Futurity.

#### **RULES & PROCEDURES FOR FUTURITY CLASSES**

**Judging System**-Handlers for all Futurity classes must be Amateurs (ATH) and must meet all USEF amateur requirements. The number of judges will be determined by CABA and the Futurity Administrator. Classes will be conducted in accordance with AHA/USEF Halter Rules. Each participant is responsible for knowledge of these rules and is subject to these rules. The CABA BOD and the Futurity Administrator RESERVE THE RIGHT TO COMBINE CLASSES AT THEIR DISCRETION. Any questions that may arise which are not covered by AHA/USEF Rules will be resolved by the CABA governing body. All entries will be judged independently and by the panel of judges. Judges will examine all horses individually while walking, trotting, and standing. Horses will enter the ring in a counter-clockwise direction in chronological age order (according to date of birth) from oldest to youngest. Horses will be encouraged to move with elegance, impulsion, and charismatic animation at the trot, exhibiting authentic Arabian type. Following the trot into the arena, each entry shall proceed to the far end. All entries

Immediately following the individual presentations at the trot all horses shall walk in a clockwise direction around the arena. Horses to circle at a controlled walk around the ring at the discretion of the judge and at the instruction of the ring steward.

Horses will be presented to the judging panel for evaluation in a controlled, yet uninhibited and non-intimidated manner. Horses are encouraged to exhibit Arabian presence. The use of a standard halter show whip is allowed but not mandatory. These procedures will apply for all yearling, two year old and three year old horses.

More than one horse may be exhibited by a handler in the same class provided that an additional, designated, handler(s) is/are available to take over the horse not being presented, and, provided that the additional handler(s) is/are available for each horse during the initial entry, group judging and awards presentation.

#### NOTICE AND EFFECTIVE IMMEDIATELY

(quote from USEF document dated April 27, 2016)

"... AR116.6a3 will allow shanking in Arabian Halter classes or competitions only in emergency situations where a horse becomes dangerously unruly and immediate shanking is required in order to regain control of the horse and prevent imminent harm to the horse or others.

In conjunction with AR115.1, with the exception of emergency circumstances where the horse is physically out of control and creating imminent danger to itself or others, from the date of the ruling forward, the threatening use of a whip (or potentially other objects) as a visual cue while preparing or presenting a horse in Arabian Halter classes or competitions must be recognized as intimidating behavior that is disallowed under AR115 and the general provisions of GR839".

#### CONTROLLED PADDOCK

Since the controlled paddock was first instituted, the use of large plastic bags and other items has escalated well beyond what is necessary to assist our in-hand horses into the arena. Additionally, we have erred by not clearly stating how this one specified person appointed by either the show

committee or the exhibitor is to go about assisting with entrance(s) into the arena. EFFECTIVE IMMEDIATELY (per USEF and AHA directive), the one specified person assisting with entrance of in-hand horses into the show ring will be allowed to use only the same length whip and appendages as are currently allowed for the individual handling the horse. Rule reference AR114.2: WHIPS ARE TO BE NO LONGER THAN 6', INCLUDING APPENDAGES. SMALL APPENDAGES (NO MORE THAN 12" IN LENGTH) OR RIBBON, PLASTIC, ETC. ARE PERMITTED. The designated person will not hit or use any other objects, such as trash cans, walls, etc., to make any noise. In addition, effective immediately, the use of plastic or paper bags of any type or size is prohibited in assisting with entrance(s) into the arena.

It is the responsibility of Show Management, along with the USEF Steward(s), to ensure the "designated person" understands this policy and their role. Should this rule/policy be violated a warning card may be issued to both the handler and the "designated person", or groom, who initiates this violation. "Alternatively, the horse may be disqualified from this Futurity competition by the Judge(s) or at the discretion of CABA and the CBC FUTURITY ADMINISTRATOR."

CLASSES: Purebred Arabian and Half-Arabian halter classes shall be held for the following age groups: Yearling, Two (2) Year Old, and Three (3) Year Old. The CABA BOD and the Futurity Administrator reserve the right to combine classes at their discretion up to the start of the show.

The following classes (**which may be combined**) will be the August 2021 class makeup:
