

# Platinum Show Horse Lease Program 2024

Several high-quality show horses are available for lease through Platinum Performance Horses. This is an excellent opportunity for riders to determine their level of interest before making the major investment of buying a horse. Showing is expensive and time-consuming. It can be an emotional ride but it's one worth taking if you have the desire to compete and raise the bar on your horsemanship. Our show team is one of the best in the country and unique in offering the level of horses we can share. Lessons are to be scheduled by the Lessee and are not part of the lease fee. Leasing DOES NOT allow riders to use horses outside of scheduled lessons. Lessees have availability to book with head/assistant trainers, as well as groups.

## 1. Exclusive Horse Lease-

- This lease requires a one-year contracted commitment. The horse will no longer be used for any lessons for other riders and will be specifically trained and suited to your riding style. If you plan to compete at a national level or multiple shows, this is your best option for ensuring you and the horse are tuned to each other without any other riders interfering.
- Cost is \$875 per month due on the first of the month per horse. The lessee will also be responsible for that horse's shoeing and incidentals for the duration of the lease period.

## 2. Preferred Horse Lease-

- This lease requires a 6-month minimum contracted commitment and entitles you to all benefits of owning that horse with one potential partner. The horse may be used for lessons for other riders, however, preferred lessees have priority in booking. If you plan to compete at local-level shows or want to consistently work with a specific horse, this is your best option for sharing costs with another appropriate rider.
- Cost is \$500 per month due on the first of the month per horse. The lessee will also be responsible for half of that horse's shoeing and incidentals for the duration of the lease period. Select horses are available for shared options.

## 3. Lease Membership-

- No long-term commitment membership that allows riders to book with head/assistant trainers and participate in groups without committing to a specific horse or showing. If showing is the goal, a minimum of a partial lease will need to begin with a picked horse.
- Cost is \$400 per month due on the 1<sup>st</sup> of the month to be eligible for Mindbody elevated booking privileges.
